GetSET Participation

BUFFALO, NY, April 6, 2017 – Cazenovia Recovery Systems, Inc. will participate in the GetSET: Success in Extraordinary Times initiative through a sponsorship from The Peter and Elizabeth Tower Foundation.

The two-year program focuses on a team-based approach to helping select mid-sized area not-for-profits strengthen organizational development, clarify their role in the community, respond to demand for services, and recognize opportunities for growth. Organizations are selected based on the critical value their services provide to the community.

GetSET is a collaboration of The Tower Foundation, The John R. Oishei Foundation, The Ralph C. Wilson Jr. Foundation, and the Health Foundation of Western & Central New York.

Founded in Buffalo in 1980, Cazenovia Recovery Systems is a vital partner in building successful lives for those in recovery from substance use. In 2016, Cazenovia Recovery supported more than 1,000 individuals through its 10 Western New York residential treatment and service programs.
