EDUCATION **2** RECOVERY PROGRAM

*We provide individualized
case management to fit the
needs of students.*

Education 2 Recovery Program

The Education 2 Recovery (E2R) program highlights recovery first with academic training as an enhancement to time and distance from substances and mental health issues.

The college environment exposes individuals to a learning atmosphere, increases interpersonal interaction, and repairs function through focused learning experiences and college courses. We offer a variety of credit and non-credit courses.

We provide individualized case management to fit the needs of students.

We assist students at any educational level.
